Re: Permit Review Status, OK Copper Mine, M/001/039, Beaver County, Utah

Dear Mr. Katona:

On August 23, 1996, the Division received Centurion Mines Corporation's plan for the OK Copper mine. Due to a backlog of other permit reviews, the Division will not be able to complete a review of this plan within the usual 30-day timeframe. Please accept our apology for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

Tom Munson
Senior Reclamation Specialist
